### REVISED NOTICE

**DOCKET NO.**

**97-00309**

**IN RE:**

**BellSouth Telecommunications, Inc.'s Entry Into Long  
Distance (InterLATA) Service in Tennessee Pursuant to  
Section 271 of the Telecommunications Act of 1996**

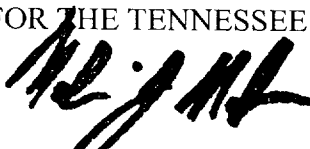

**DATE:**

**August 30, 2001**

On August 6, 2001, the Tennessee Regulatory Authority ("Authority") issued a discovery schedule in this proceeding. On August 24, 2001, and August 27, 2001, BellSouth Telecommunications, Inc. ("BellSouth") filed objections to various discovery requests in this matter. On August 28, 2001, the Authority issued a notice requesting that any party wishing to submit a motion to compel discovery with respect to BellSouth's objections should do so on or before 2:00 p.m. on Friday, August 31, 2001.

On August 29, 2001, AT&T Communications of the South Central States, Inc. ("AT&T") filed a request for extension of time in which to file a motion to compel. For good cause shown, *AT&T's Request for Extension of Time* is hereby granted, consistent with this Revised Notice. Any party wishing to submit a motion to compel discovery with respect to BellSouth's objections shall file the same on or before **2:00 p.m., Thursday, September 6, 2001**. BellSouth shall respond to any such motion(s) on or before **2:00 p.m., Thursday, September 13, 2001**.

FOR THE TENNESSEE REGULATORY AUTHORITY:

  
Director Melvin J. Malone,  
Hearing Officer
